

Eureka

Temporary Supply Switchboards

Product Description & Specifications:

The Eureka range of temporary supply switchboards are developed and manufactured in Australia

In single and three phase 80A, they are strong and durable to meet the tough conditions found on the construction site

With a choice of extras that include -

- Heavy duty free standing stand
- extra lighting test points
- 3 phase 32A external outlet
- Built to AS/NZS 3012 standard

Please contact your distributor for pricing details.
